## Get Rid of Bugs

Have you tried to exterminate them many times without success? Then you have not used a real insecticide. There are hundreds of so called insecticides on the market, but we know of only one that is sure death to all kinds of bugs and insects and that's

### WORRELL'S INSECT EXTERMINATOR

This preparation not only kills bugs and insects, but it sterilizes their eggs. It will rid wardrobe and carpets of moths, will kill lice and flies on cattle, horses and dogs, without injury to the animals, destroys body lice, head lice or crabs and is sure death to roaches, ants and bed-bugs. It is a perfect germicide and disinfectant and its vapor is non-poisonous to human beings. A sprayer with every package.
